For more information, see Line 453 in the guide. Complete this schedule, schedule and **attach** a copy of it to your return to claim the Working Income Tax Benefit (WITB) if you meet **all** of the following conditions in 2013:

- you were a resident of Canada throughout the year;
- you earned income from employment or business; and
- at the end of the year, you were 19 years of age or older, or you resided with your spouse or common-law partner or your child.

The WITB is calculated based on the working income (calculated in Part A below) **and** your adjusted family net income (calculated in Part B below). You can claim the **basic** WITB (Step 2) if the working income (amount on line 8 below) is more than \$4,750. If you are eligible for the WITB **disability supplement** (Step 3), your working income (amount on line 7 below) must be more than \$2,295. **Also**, if your adjusted family net income is less than the amount specified in the **chart on the next page**, you need to complete this form to find out if you are entitled to the WITB. If your adjusted family net income is more than the amount specified in the chart on the next page, you are not entitled to the WITB.

#### You cannot claim the WITB if in 2013:

- you were enrolled as a full-time student at a designated educational institution for more than 13 weeks in the year, unless you had an eligible dependant at the end of the year; or
- you were confined to a prison or similar institution for a period of at least 90 days during the year.

**Notes:** If you were married or living in a common-law relationship but did not have an eligible spouse or an eligible dependant, complete this schedule using the instructions as if you had neither an eligible spouse nor an eligible dependant.

If you are completing a final return for a deceased person who met the above conditions, you can claim the WITB for that person if the date of death was after June 30, 2013.

If, in 2013, you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have **employment income** for 2013 and elected in 2013 to stop paying CPP contributions, or revoked in 2013 an election made in a prior year, you should have already completed and submitted Form CPT30, *Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election*, to us and your employer(s).

If you had **both** employment income and self-employment income in 2013 and wanted to elect in 2013 to stop paying CPP contributions in 2013, or to revoke in 2013 an election made in a prior year, you should have completed Form CPT30 in 2013. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month following the date you gave this form to your employer. However, if you want to elect to stop paying CPP contributions on your self-employment earnings on an earlier date in 2013, enter the month you want to stop contributing in **box 372** below, or if you want to revoke in 2013 an election made in a prior year, enter the month you want to stop in **box 374** below.

To be valid, an election or revocation that begins in 2013 must be filed on or before June 15, 2015.

I elect to **stop** contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.

I want to **revoke** an election made in a prior year to stop contributing to the Canada Pension Plan on my self-employment earnings and resume contributing on the first day of the month that I entered in box 374.
