#### **MATCHING**

Below is a list of auditor's reports as well as a list of phrases describing the reports.

### Required:

Match each auditor's report with the phrase that correctly describes it.

- a. adverse
- b. unqualified
- c. qualified
- d. reviewed
- e. disclaimer
- f. compiled
- 1. Presentation of financial information as presented by management
- 2. This opinion states that except for the effects of the matter(s) to which the qualification relates, the financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of entity in conformity with generally accepted accounting principles.
- 3. This opinion states that the financial statements do not present fairly the financial position, results of operations, and cash flows of the entity in conformity with generally accepted accounting principles.
- 4. Consists principally of inquiries made to company personnel and analytical procedures applied to financial data.
- 5. The auditor does not express an opinion on the financial statements.
- 6. This opinion states that the financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of the entity in conformity with generally accepted accounting principles.
