- b. Ulhoff automatically wins because he lost in the lower court.
- c. Neither party wins because the case is being thrown out.
- d. We don't know who wins yet because the case is being returned to the trial court for additional steps.

ANSWER: d

Essay

32. Explain the role that power, importance and fascination play in contemporary American law.

ANSWER: The role of "power" in contemporary law is reflected in the fact that the strong reach of the law touches nearly everything we do. The role of "importance" in contemporary law reflects the fact that we depend on it to keep our society functioning. The law, too, is fascinating. Verdicts have an impact on us in many ways.

33. Identify and discuss the primary sources of contemporary U.S. law.

ANSWER: The primary sources of U.S. law include: (1) the U.S. Constitution (the supreme law of the land) and state constitutions (which establish state governments); (2) statutes, which are drafted by the legislatures; (3) common law, which is the body of cases decided by judges, as they follow earlier cases, known as precedent; (4) court orders, which compel a party to and prohibit it from doing something; (5) administrative law, which are the rules and decisions made by federal and state administrative agencies; and (6) treaties, which are agreements between the U.S. and other sovereign countries.

34. Describe the doctrine of precedent and its application to common law.

ANSWER: The doctrine of precedent, which developed gradually over centuries, requires that judges decide current cases based on previous rulings. This vital principle is at the heart of American common law. Precedent ensure predictability. The accumulation of precedent, based on case after case, makes up the common law.
