Human Sexuality in a World of Diversity

CHAPTER 1

WHAT IS HUMAN SEXUALITY?

1.1 Multiple Choice

1) Comparing the sexual beliefs and customs of the inhabitants on the two different small islands of Inis Beag and Mangaia best demonstrates which of the following?

- A) Sexual attitudes and customs can differ considerably between cultures.
- B) Island cultures have remarkably similar sexual attitudes throughout the Atlantic and Pacific Oceans.
- C) Cultures from small geographic locations typically have restrictive sexual attitudes and customs.
- D) People who consume large amounts of fish typically have more permissive sexual attitudes and customs.

Answer: A

Diff: 3 Page Ref: 4

Skill: Conceptual

Objective: LO 1.8; APA 8

2) Sex education classes in most secondary schools in the United States do not cover the topic of

- A) sexual techniques.
- B) contraception.
- C) sexually transmitted infections.
- D) anatomy.

Answer: A

Diff: 2 Page Ref: 4

Skill: Factual

Objective: LO 1.1; APA 1

3) The authors of your text define human sexuality as

- A) our awareness of ourselves and others as female or male.
- B) our capacity for procreation.
- C) the way we experience and express ourselves as sexual beings.
- D) the way we engage in sexual intercourse or sexual fantasy throughout our lives.

Answer: C

Diff: 2 Page Ref: 6

Skill: Conceptual

Objective: LO 1.1; APA 1

4) Which of the following are parts of human sexuality?

- A) Ways of expressing ourselves as sexual beings

- B) Our awareness of ourselves as females or males
- C) Our capacity for erotic experiences
- D) All of the above are a part of human sexuality

Answer: D

Diff: 2 Page Ref: 6

Skill: Conceptual

Objective: LO 1.1; APA 1

5) For many researchers today, the term _____ refers to anatomic or biological categories, whereas _____ refers to social or cultural categories.

- A) sex; values
- B) sex; gender
- C) gender; sex
- D) gender; values

Answer: B

Diff: 1 Page Ref: 6

Skill: Factual

Objective: LO 1.1; APA 1

6) The behavioral, cultural, or psychological traits that are typically associated with one sex are called

- A) gender.
- B) sexual behavior.
- C) gender roles.
- D) human sexuality.

Answer: A

Diff: 1 Page Ref: 6

Skill: Factual

Objective: LO 1.1; APA 1

7) Growing up in East L.A., Jose learned when to hide or show his feelings, how his actions must honor his family, how to court women, and how to "be tough" by holding his alcohol. Jose has learned

- A) valuable lessons for life.
- B) his culture's definition of gender.
- C) sexist beliefs.
- D) his culture's gender roles for men.

Answer: D

Diff: 3 Page Ref: 6

Skill: Applied

Objective: LO 1.8; APA 8

8) Jamal believes that men and women choose different jobs because they have learned to think it is more acceptable for men in their culture to have certain jobs and for women to have others. Based on the vocabulary from your text, Jamal believes the differences between men and women are

- A) a sex difference.
- B) a sex role difference.
- C) a gender difference.
- D) a sexual behavior difference.

Answer: C

Diff: 2 Page Ref: 6

Skill: Applied

Objective: LO 1. 1; APA 1

- 9) In regards to making sexual decisions, the scientists who study human sexuality are likely to
- A) advocate certain values that people should use in sexual decision making.
 - B) provide people with scientific information that can be used in sexual decision making.
 - C) try to change how people make decisions about sexual behaviors.
 - D) have an unrealistic or limited view of the sexual decisions people commonly face in their lives.

Answer: B

Diff: 3 Page Ref: 6

Skill: Conceptual

Objective: LO 1. 1; APA 5

- 10) A society with pluralistic sexual attitudes and values has a(n)
- A) liberal view of sexual attitudes and values.
 - B) conservative view of sexual attitudes and values.
 - C) wide range of sexual attitudes and values.
 - D) outdated view of sexual attitudes and values.

Answer: C

Diff: 1 Page Ref: 6

Skill: Factual

Objective: LO 1.8; APA 8

- 11) A society that embraces a wide range of sexual attitudes and values is called
- A) liberal.
 - B) sexually repressive.
 - C) sexually permissive.
 - D) pluralistic.

Answer: D

Diff: 2 Page Ref: 6

Skill: Factual

Objective: LO 1.8; APA 8

- 12) Statements about what is right or wrong, or desirable versus undesirable, are expressions of a person's
- A) knowledge on a topic.
 - B) beliefs.
 - C) political views.
 - D) values.

Answer: D

Diff: 1 Page Ref: 7

Skill: Applied

Objective: LO 1.2; APA 5

13) Which of the following best describes current values in the United States of America?

- A) Given the diversity of American society, no single value system defines all of America.
- B) American values are primarily part of a hedonistic value system.
- C) Americans have embraced rationalism as a value system.
- D) Most Americans show a strong sense of ethical relativism in discussing sexual values.

Answer: A

Diff: 2 Page Ref: 7

Skill: Factual

Objective: LO 1.2; APA 5

14) Which of the following could serve as a basis for a legalistic approach to ethical behavior?

- A) Legal documents
- B) The creed of a religion
- C) Policies and mandates
- D) The love for others

Answer: B

Diff: 1 Page Ref: 7

Skill: Conceptual

Objective: LO 1.2; APA 5

15) Many religious followers accept sexual moral codes set by their religion because they

- A) can logically derive them from societal needs.
- B) have faith and commitment.
- C) can rationally obtain them from societal needs.
- D) can make personal interpretations.

Answer: B

Diff: 2 Page Ref: 8

Skill: Conceptual

Objective: LO 1.2; APA 5

16) In situational ethics, ethical decision-making is guided by

- A) rigid moral rules.
- B) the creed of a religion.
- C) intellect and reasoning.
- D) the genuine love for others.

Answer: D

Diff: 1 Page Ref: 8

Skill: Factual

Objective: LO 1.2; APA 5

17) Telling an outright lie, according to situational ethics, might be the moral thing to do if

- A) you can personally benefit from it.
- B) no one could possibly find out you lied.
- C) you do so out of love and concern for another.
- D) you view the situation from another religion's point of view.

Answer: C

Diff: 2 Page Ref: 8

Skill: Applied

Objective: LO 1.2; APA 5

- 18) In ethical relativism, it is assumed that
- A) there is no single, correct moral value.
 - B) human existence centers on a few central moral values.
 - C) one can justify a set of moral values over another.
 - D) premarital sex is unacceptable under any circumstance.

Answer: A

Diff: 1 Page Ref: 8

Skill: Factual

Objective: LO 1.2; APA 5

- 19) Considering the value systems used to make sexual decisions, a person using situational ethics differs from one using ethical relativism in what main way?
- A) There is no difference between situational ethics and ethical relativism.
 - B) People who adhere to ethical relativism would argue that genuine love cannot be the basis on which to make moral decisions.
 - C) A person using situational ethics would argue that some moral decisions can be better than others.
 - D) Situational ethics focuses on the situations in which decisions are made, while ethical relativism focuses on differences between cultures.

Answer: C

Diff: 3 Page Ref: 8

Skill: Conceptual

Objective: LO 1.2; APA 5

- 20) A person who ascribes to cultural relativism would argue that different cultures
- A) would benefit from incorporating traditions from other cultures.
 - B) may have equally valid different traditions based on their cultural beliefs.
 - C) may have conflicting beliefs, but only one culture's beliefs can be correct.
 - D) may be closer to holding superior value systems.

Answer: B

Diff: 2 Page Ref: 9

Skill: Applied

Objective: LO 1.2; APA 5

- 21) Someone who does not believe in ethical realism might argue that
- A) what is right or wrong is never an absolute.
 - B) not having absolute standards could lead to social chaos.

- C) moral values should always be a personal decision.
- D) religion provides no guidelines for moral behavior.

Answer: B

Diff: 2 Page Ref: 9

Skill: Applied

Objective: LO 1.2; APA 5

22) Hedonism is a value system in which a person is guided by

- A) cultural traditions.
- B) the pursuit of pleasure.
- C) religious principals.
- D) helping others.

Answer: B

Diff: 1 Page Ref: 9

Skill: Factual

Objective: LO 1.2; APA 5

23) Which of the following value systems is based on self-denial of material and sexual desires?

- A) Utilitarianism
- B) Hedonism
- C) Legalism
- D) Asceticism

Answer: D

Diff: 1 Page Ref: 9

Skill: Factual

Objective: LO 1.2; APA 5

24) Utilitarianism is based on the ethical thought:

- A) "the greatest good for the greatest number."
- B) "if it feels good, do it."
- C) "ignore any principal if you can effect more good."
- D) "any sexual desire is bad."

Answer: A

Diff: 1 Page Ref: 9

Skill: Factual

Objective: LO 1.2; APA 5

25) Which of the following groups is most likely to believe that reasoning can lead to ethical behavior?

- A) Hedonist and legalist
- B) Situational ethicist and ethical relativist
- C) Legalist and rationalist
- D) Rationalist and utilitarian

Answer: D

Diff: 2 Page Ref: 9

Skill: Conceptual

Objective: LO 1.2; APA 5

26) Which of the following best reflects the beliefs of a utilitarian?

- A) An unhappy marriage should be prolonged to better serve his or her spouse.
- B) An unhappy marriage should be prolonged to better serve his or her three children.
- C) An unhappy marriage should not be prolonged because of personal consequences.
- D) An unhappy marriage should not be ended because of religious traditions.

Answer: B

Diff: 3 Page Ref: 9

Skill: Applied

Objective: LO 1.2; APA 5

27) Which of the following groups is LEAST likely to use religion and religious principles to determine ethical behavior?

- A) Legalism
- B) Utilitarianism
- C) Asceticism
- D) Hedonism

Answer: D

Diff: 2 Page Ref: 9

Skill: Conceptual

Objective: LO 1.2; APA 5

28) Which of the following best reflects the beliefs of someone using a legalist value system?

- A) An unhappy marriage should be prolonged to better serve his or her spouse.
- B) An unhappy marriage should be prolonged to better serve his or her three children.
- C) An unhappy marriage should not be prolonged because of personal consequences.
- D) An unhappy marriage should not be ended because of religious traditions.

Answer: A

Diff: 2 Page Ref: 10

Skill: Applied

Objective: LO 1.2; APA 5

29) All of the following are elements of critical thinking, EXCEPT

- A) analyzing definitions of terms.
- B) finding reasons to support your beliefs.
- C) relying on feelings and intuition.
- D) skepticism.

Answer: C

Diff: 1 Page Ref: 11, 13

Skill: Conceptual

Objective: LO 1.3; APA 3

30) Using the principle of skepticism involves

- A) generalizing from the simple to the complex.
- B) finding reasons that justify your beliefs.

- C) taking nothing for granted.
- D) trusting authority figures.

Answer: C

Diff: 1 Page Ref: 11

Skill: Conceptual

Objective: LO 1. 3; APA 3

31) After hearing the statement, "watching violence in movies leads people to be violent in their relationships," a critical thinker about human sexuality will

- A) be cautious in accepting this conclusion, evaluate the evidence, and look for alternative explanations.
- B) accept this statement as true if it is stated by someone with authority in society.
- C) only accept this statement if a Web search on the topic produces a large number of sites stating the same conclusion.
- D) All of the above are correct

Answer: A

Diff: 3 Page Ref: 11, 13

Skill: Applied

Objective: LO 1. 3; APA 3

32) In general, if a person wanted to buy a book about sex, which of the following would most likely include reliable and accurate information?

- A) A book that guarantees an orgasm within 5 minutes
- B) A book that is strictly morally based in one particular religion
- C) A book whose author is affiliated with a college or university
- D) A book by Dr. Phil Bigbagowind

Answer: C

Diff: 2 Page Ref: 13

Skill: Applied

Objective: LO 1. 3; APA 3

33) The biggest problem with sex surveys in popular magazines such as *Cosmopolitan* is the research issue of

- A) operational definitions.
- B) adequate sampling.
- C) the way questions are worded.
- D) lack of measures of central tendency.

Answer: B

Diff: 2 Page Ref: 12

Skill: Conceptual

Objective: LO 1. 3; APA 3

34) The National Survey of Sexual Health and Behavior (2010) noted all of the following, EXCEPT

- A) American adults engage in a wide variety of sexual behaviors.
- B) more Americans have engaged in same gender sex than identify with being gay or lesbian.

C) the percentage of American adolescents who engage in vaginal intercourse is far more than those who engage in oral sex.

D) sexual behavior in older Americans is not at all unusual.

Answer: C

Diff: 2 Page Ref: 13

Skill: Factual

Objective: LO 1. 9; APA 1

35) Surfing the Web, you come across a website for Dr. Anderson's Breast Cream. The website claims that daily use of her breast enhancement cream can increase breast size in as little as two weeks. In small print at the bottom, her website lists three links to different studies that investigated the effectiveness of her cream. Which detail would likely lead a critical thinker to be very skeptical about this website?

A) The maker of the product is a medical doctor.

B) There are three studies listed as references for the effectiveness of the cream in increasing breast size.

C) The website offers a quick fix for breast enhancement.

D) The information is on the Internet.

Answer: C

Diff: 2 Page Ref: 13

Skill: Applied

Objective: LO 1. 3; APA 6

36) Phallic symbols were commonly found in the following, EXCEPT

A) ancient Egyptian religious ceremonies.

B) ancient Greek jewelry.

C) ancient Rome parades.

D) ancient Stone Age art.

Answer: D

Diff: 2 Page Ref: 13

Skill: Factual

Objective: LO 1.4; APA 1

37) The worship of women's ability to bear children was commonly found in which of the following?

A) Ancient Egyptian religious ceremonies

B) Ancient Greek readings

C) Ancient Rome poetry

D) Ancient Stone Age art

Answer: D

Diff: 1 Page Ref: 13

Skill: Factual

Objective: LO 1.4; APA 1

38) According to the authors of your text, the available evidence about prehistoric sexuality is best summarized by which of the following?

- A) Prehistoric males dominated females in all aspects of their culture, as shown by male symbols of power in ancient art.
- B) There was a division of labor between men and women, and early art symbolized female (and later, male) contributions to fertility.
- C) Although ancient men and women frequently engaged in sexual behavior, they did not understand its link to childbearing.
- D) Ancient people experienced frequent deaths, short-term pairings of men and women, and rarely had children that survived.

Answer: B

Diff: 3 Page Ref: 13

Skill: Conceptual

Objective: LO 1.4; APA 1

39) Phallic worship signified the penis as a symbol of

- A) generative power.
- B) fertility.
- C) ability to fertilize women.
- D) ability to perpetuate the species.

Answer: A

Diff: 1 Page Ref: 14

Skill: Factual

Objective: LO 1.4; APA 1

40) Phallic worship may have come into being as

- A) women's roles became more subservient.
- B) people grew aware of the male role in reproduction.
- C) religious ceremonies gained precedence.
- D) men hunted wild animals.

Answer: B

Diff: 2 Page Ref: 14

Skill: Conceptual

Objective: LO 1.4; APA 1

41) It is believed that the first human taboo involved

- A) male-male sexual behavior.
- B) female-female sexual behavior.
- C) incestuous sexual behavior.
- D) premarital sexual behavior.

Answer: C

Diff: 2 Page Ref: 14

Skill: Factual

Objective: LO 1.4; APA 1

42) In "Western" cultures, incestuous sexual behavior was generally only permitted among the

- A) royal families.
- B) farming families.

- C) common families.
- D) middle class families.

Answer: A

Diff: 2 Page Ref: 14

Skill: Factual

Objective: LO 1.4; APA 1

43) Which of the following best describes the ancient Hebrew attitude toward sex?

- A) Sexual desire was part of man's sinful nature, and sex should only occur in marriages when trying to procreate.
- B) Sex between men was seen as a normal and acceptable form of relationship.
- C) Sex outside of marriage was tolerated for both women and men.
- D) Sex should be a fulfilling part of a marriage, but procreation was also valued.

Answer: D

Diff: 2 Page Ref: 14

Skill: Factual

Objective: LO 1.4; APA 1

44) The ancient Hebrews and Greeks were alike in that they both

- A) viewed women as property.
- B) permitted sexual relations only within marriage.
- C) condemned homosexual relations.
- D) had a great admiration for the human body.

Answer: A

Diff: 2 Page Ref: 14, 16

Skill: Conceptual

Objective: LO 1.4; APA 1

45) In early Greek culture, gods and goddesses were seen as

- A) gatekeepers of sexual mortality.
- B) sexually deviant.
- C) greedy seekers of sexual variety.
- D) asexual beings.

Answer: C

Diff: 2 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

46) A man in ancient Greece would likely be arrested if caught doing which of the following?

- A) Having sex with a prostitute
- B) Having sex with an adolescent male
- C) Having sex with a prepubescent boy
- D) Divorcing his wife without cause

Answer: C

Diff: 2 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

47) Derived from ancient Greek, the word pederasty means

- A) sexual variety.
- B) love of boys.
- C) institution of the family.
- D) male-male sexual behavior.

Answer: B

Diff: 1 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

48) In ancient Greece, male-male sexual behavior was tolerated as long as it did not

- A) threaten the institution of the family.
- B) involve an adult and an adolescent.
- C) exist in the public sphere.
- D) interfere with duties to the state.

Answer: A

Diff: 2 Page Ref: 16

Skill: Conceptual

Objective: LO 1.4; APA 1

49) Ancient Greeks believed that all people were

- A) inherently good.
- B) derived from the "original sin."
- C) bi-sexual.
- D) concubines.

Answer: C

Diff: 2 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

50) In ancient Greek times, prostitution flourished

- A) only among the royal families.
- B) only among the average-middle class.
- C) only among the lower class.
- D) at every level of society.

Answer: D

Diff: 2 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

51) The ancient Greeks viewed women as

- A) unable to enjoy sex.
- B) property.
- C) inherently sinful.

D) equal partners in loving relationships.

Answer: B

Diff: 1 Page Ref: 16

Skill: Factual

Objective: LO 1.4; APA 1

52) If you were in ancient Rome, which would be true regarding male-male sexual behavior?

A) The behavior would be acceptable if both men were adults.

B) The behavior would be viewed as a threat to the Roman family.

C) The behavior would be acceptable if partners were members of the lower class.

D) The behavior would be viewed as a threat to masculinity.

Answer: B

Diff: 2 Page Ref: 16

Skill: Conceptual

Objective: LO 1.4; APA 1

53) Which culture is often characterized by the sexual excesses of the rulers and the upper class?

A) Early Islam

B) Ancient Greece

C) Ancient Hebrews

D) Ancient Rome

Answer: D

Diff: 1 Page Ref: 16

Skill: Conceptual

Objective: LO 1.4; APA 1

54) Which of the following was a teaching of early Christians that demonstrates their association of sex with sin?

A) Divorce was legal only in the case of adultery.

B) Prostitution was only acceptable for unmarried men or widowers.

C) Christian men could only take up to four wives, but only until one wife was able to bear a child.

D) Celibacy was the ideal, but marriage was acceptable.

Answer: D

Diff: 2 Page Ref: 16

Skill: Conceptual

Objective: LO 1.4; APA 1

55) During the early Christian era, divorce

A) could be initiated by a man, but not by a woman.

B) was not encouraged but was acceptable if the woman was barren.

C) was completely outlawed.

D) was granted if church officials approved the dissolution.

Answer: C

Diff: 3 Page Ref: 17

Skill: Conceptual

Objective: LO 1.4; APA 1

56) Which of the following ideas most influenced early Christian views of sexuality?

- A) Jesus' idea that love and tolerance are paramount in human relations
- B) Augustine's idea that sexual lust began with the original sin of Adam and Eve
- C) Paul's idea that it was "better to marry than to burn"
- D) Moses' idea that sex is reserved for procreation alone

Answer: B

Diff: 1 Page Ref: 17

Skill: Factual

Objective: LO 1.4; APA 1

57) According to St. Augustine, men and women could attain a state of grace only through

- A) celibacy.
- B) remaining faithful to one another.
- C) bearing children.
- D) avoidance of passion.

Answer: A

Diff: 3 Page Ref: 17

Skill: Applied

Objective: LO 1.4; APA 1

58) Which of the following is true regarding Islamic culture?

- A) Both men and women must be monogamous.
- B) The family is considered the backbone of society.
- C) Premarital intercourse is acceptable.
- D) Celibacy is encouraged.

Answer: B

Diff: 2 Page Ref: 17

Skill: Conceptual

Objective: LO 1.4; APA 8

59) Islamic tradition holds that Muhammad decreed that marriage represented the road to

- A) ruin.
- B) original sin.
- C) virtue.
- D) happy sadism.

Answer: C

Diff: 2 Page Ref: 17

Skill: Conceptual

Objective: LO 1.4; APA 8

60) The majority of Islamic sects believe all of the following EXCEPT

- A) premarital intercourse is disapproved.
- B) women may only have one husband.
- C) celibacy will attain a state of grace.

D) men may practice polygamy.

Answer: C

Diff: 2 Page Ref: 17

Skill: Conceptual

Objective: LO 1.4; APA 8

61) Which cultural group believes that sexual pleasure is a spiritual experience and religious duty?

A) Hindus in India

B) Early Christians

C) Early Muslims

D) Early Chinese

Answer: A

Diff: 1 Page Ref: 17

Skill: Conceptual

Objective: LO 1.4; APA 8

62) The *Kama Sutra* is a sexual manual from which religion or culture?

A) Christianity

B) Islam

C) Hindu

D) Chinese

Answer: C

Diff: 1 Page Ref: 17

Skill: Factual

Objective: LO 1.4; APA 8

63) The *Kama Sutra* is a detailed sex manual that reflected the sexual practices of

A) all Far East cultures.

B) the Hindu culture.

C) the Chinese culture.

D) the Taoist culture.

Answer: B

Diff: 1 Page Ref: 17

Skill: Factual

Objective: LO 1.4; APA 8

64) Compared to early Eastern religions, early Christianity

A) had a more positive view of sexuality.

B) had a more negative view of sexuality.

C) was very similar in viewing sexuality.

D) had little to say about sexuality in marriage.

Answer: B

Diff: 1 Page Ref: 18

Skill: Applied

Objective: LO 1.4; APA 8

65) The first detailed sex manual was produced by

- A) the Chinese culture.
- B) the Hindus.
- C) the Western Culture.
- D) the Victorians.

Answer: A

Diff: 1 Page Ref: 18

Skill: Factual

Objective: LO 1.4; APA 8

66) Early Taoist beliefs emphasized the harmony achieved through

- A) stimulating women's yin energy through orgasm so that men could absorb more yin energy to complement their yang energy.
- B) complementing the female essence of yin by absorbing the male essence of yang through oral sex.
- C) stimulating the male essence of yin by delaying ejaculation during intercourse and stimulating the female essence of yang by prolonging orgasm.
- D) stimulating women's yang energy by delaying female orgasm until the man's yin energy could also flow during orgasm.

Answer: A

Diff: 3 Page Ref: 18

Skill: Conceptual

Objective: LO 1.4; APA 8

67) To Taoist masters of China, masturbation was

- A) acceptable for men but not for women.
- B) shameful.
- C) acceptable for women only.
- D) considered a healthy sexual outlet for men.

Answer: C

Diff: 1 Page Ref: 18

Skill: Factual

Objective: LO 1.4; APA 8

68) During the Middle Ages, what development in European Christendom helped to elevate the status of women?

- A) The coronation of Queen Victoria
- B) The development of the modern Protestant denominations
- C) The cult of the Virgin Mary
- D) The writings of Augustine

Answer: C

Diff: 1 Page Ref: 18

Skill: Conceptual

Objective: LO 1.4; APA 8

- 69) The Protestant Reformer, Martin Luther, believed that
- A) priests should be allowed to marry and have children.
 - B) sexuality was based on primitive animalistic impulses.
 - C) women were forever tainted by the original sin of Eve.
 - D) sexuality expression of any kind should be suppressed.

Answer: A

Diff: 1 Page Ref: 18

Skill: Factual

Objective: LO 1.4; APA 8

- 70) During the Protestant Reformation, Martin Luther and John Calvin
- A) agreed with the Roman Catholic doctrine that priests should remain celibate.
 - B) split from the Roman Catholic doctrine and disputed their view on sexuality.
 - C) retained the belief that sex in marriage was only allowed for procreation.
 - D) believed that sexuality led to immortality.

Answer: B

Diff: 1 Page Ref: 18

Skill: Conceptual

Objective: LO 1.4; APA 8

- 71) The era named for Queen Victoria, the Victorian Era, became synonymous with
- A) sexual expression.
 - B) sexual repression.
 - C) sexual pleasure.
 - D) sexual exploration.

Answer: B

Diff: 1 Page Ref: 19

Skill: Factual

Objective: LO 1.4; APA 8

- 72) During the Victorian era, women were commonly portrayed and believed to be
- A) wildly sexual and sinful.
 - B) privately very interested in sex while publicly innocent about sexual topics.
 - C) virgins, even during marriage.
 - D) uninterested in sex.

Answer: D

Diff: 2 Page Ref: 19

Skill: Conceptual

Objective: LO 1.4; APA 8

- 73) In the 19th century, a diet including _____ was proposed as a way for men to control their sexual appetites.
- A) rice cereal
 - B) milk products
 - C) graham crackers
 - D) chicken

Answer: C

Diff: 1 Page Ref: 19

Skill: Factual

Objective: LO 1.4; APA 8

74) The Reverend Sylvester Graham believed that ejaculation would deplete a man of his vital energies, so men should only have intercourse about

- A) once a week.
- B) once a month.
- C) every night.
- D) every other day.

Answer: B

Diff: 1 Page Ref: 19

Skill: Factual

Objective: LO 1.4; APA 8

75) In a published encyclopedia of sexuality, physician Havelock Ellis concluded that

- A) sexual desires in women were sinful.
- B) sexual problems were dominated by physical causes.
- C) same-sex sexual orientations were natural variations.
- D) masturbation and frequent intercourse were unhealthy.

Answer: C

Diff: 2 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 2

76) In his pioneering studies of sexuality, Richard von Krafft-Ebing viewed

- A) sexual desires as natural and healthy.
- B) sexual deviations as mental diseases.
- C) gay male or lesbian orientation as an infrequent normal variation.
- D) divergent sexual behaviors as being untreatable.

Answer: B

Diff: 2 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 2

77) The theory that the sex drive is our principal motivating force was developed by

- A) Havlock Ellis.
- B) Masters and Johnson.
- C) Richard von Krafft-Ebing.
- D) Sigmund Freud.

Answer: D

Diff: 1 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 2

78) The research that represents the first attempts to provide broad picture of sexual behavior in the United States was conducted by

- A) Alfred Kinsey.
- B) Masters and Johnson.
- C) Havelock Ellis.
- D) Sigmund Freud.

Answer: A

Diff: 1 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 2

79) Alfred Kinsey's books on the sexual behavior of males and of females

- A) confirmed most of Freud's theory.
- B) were openly criticized as being immoral and obscene.
- C) were filled with pictures of nudes and various sexual behaviors.
- D) were applauded by the United States Congress for their scientific merit.

Answer: B

Diff: 1 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 2

80) Alfred Kinsey is recognized for

- A) making sex research a respectable field of academic study and openly discussed.
- B) the first attempts ever to study any form of human sexual behavior.
- C) his definitive study of the human sexual response.
- D) exciting books, exploring the sexual behavior of a variety of individuals.

Answer: A

Diff: 1 Page Ref: 20

Skill: Conceptual

Objective: LO 1.4; APA 2

81) The so-called "sexual revolution" in American sexual attitudes and practices usually refers to the

- A) 1930s.
- B) mid 1940s–mid 1950s.
- C) mid 1960s–mid 1970s.
- D) 1980s.

Answer: C

Diff: 1 Page Ref: 20

Skill: Factual

Objective: LO 1.4; APA 1

82) One event that may be linked to the increase in recreational or casual sexual behavior in the 1960s was

- A) the war in Vietnam.
- B) the nuclear bomb.

- C) the mass media and television.
- D) the introduction of the birth control pill.

Answer: D

Diff: 1 Page Ref: 20

Skill: Conceptual

Objective: LO 1.4; APA 1

83) The sexual revolution was part of a social movement characterized by

- A) social tolerance and media moderation.
- B) societal intolerance and public open-mindedness.
- C) media ignorance and public progressiveness.
- D) social permissiveness and political liberalism.

Answer: D

Diff: 2 Page Ref: 21

Skill: Conceptual

Objective: LO 1.4; APA 1

84) The beginning of modern gay activism in the United States is usually traced to what event?

- A) The "summer of love" in 1967
- B) The election of President Richard Nixon in 1968
- C) The Woodstock music festival in 1969
- D) The "Stonewall Rebellion" in 1969

Answer: D

Diff: 2 Page Ref: 21

Skill: Conceptual

Objective: LO 1.4; APA 8

85) The visibility of gay individuals in the United States increased after what events?

- A) The landing of the Mayflower and the protestant reformation
- B) The death of Queen Victoria and the publishing of the Kinsey books
- C) The development of birth control pills and the Korean War
- D) The sexual revolution and the AIDs crisis in the 1980s

Answer: D

Diff: 2 Page Ref: 21

Skill: Conceptual

Objective: LO 1.4; APA 8

86) What event may have reinforced many gay activists' resolve to speak out and not remain silent?

- A) The AIDS epidemic
- B) The barring of homosexuals from St. Patrick's Day parades
- C) Laws restricting homosexuals from adopting children
- D) Passage of sodomy laws in several states

Answer: A

Diff: 2 Page Ref: 21

Skill: Conceptual

Objective: LO 1.4; APA 8

87) Which researcher(s) observed people engaging in sexual activity in the laboratory?

- A) Alfred Kinsey
- B) Havelock Ellis
- C) Celia Mosher
- D) Masters and Johnson

Answer: D

Diff: 1 Page Ref: 21

Skill: Factual

Objective: LO 1.4; APA 2

88) Considering the historical perspective on sexuality, which of the following best summarizes attitudes toward masturbation across cultures and time?

- A) Masturbation has been tolerated in some cultures, but is currently tolerated more than in any other historical era.
- B) Masturbation is universally considered negatively, though some cultures are less negative than others.
- C) Masturbation has been condemned, tolerated, or encouraged depending on the culture and era.
- D) It is only in recent history that masturbation has been seen as an alternative to sexual intercourse.

Answer: C

Diff: 3 Page Ref: 22

Skill: Conceptual

Objective: LO 1.4; APA 1

89) Random genetic changes that are important in evolution are called

- A) mutations.
- B) RNA shifts.
- C) unnatural selectors.
- D) cultural shifts.

Answer: A

Diff: 1 Page Ref: 23

Skill: Factual

Objective: LO 1.5; APA 1

90) Which statement best describes the concept of natural selection?

- A) Animal and plant species are created independently.
- B) Better-adapted organisms are more likely to survive to reproduce.
- C) The strongest offspring will fight and not have time or energy to reproduce.
- D) The most attractive members of a species are most likely to survive.

Answer: B

Diff: 1 Page Ref: 23

Skill: Conceptual

Objective: LO 1.6; APA 1

91) Human cells normally contain

- A) 46 genes.
- B) 23 chromosomes.
- C) 46 pairs of chromosomes.
- D) 23 pairs of chromosomes.

Answer: D

Diff: 1 Page Ref: 23

Skill: Factual

Objective: LO 1.5; APA 1

92) Genes are segments of chromosomes, which are composed of

- A) DNA.
- B) hormones.
- C) proteins.
- D) molecules.

Answer: A

Diff: 1 Page Ref: 23

Skill: Factual

Objective: LO 1.5; APA 1

93) As variations are introduced through genetic changes, mutations

- A) occur methodically.
- B) are non-adaptive.
- C) are subject to natural selection.
- D) impair reproductive success.

Answer: C

Diff: 2 Page Ref: 23

Skill: Conceptual

Objective: LO 1.6; APA 1

94) Considering the concept of "erotic plasticity," research shows that

- A) men show greater variation in sexual behavior over time.
- B) women seem less responsive to cultural factors.
- C) women show greater erotic plasticity than men do.
- D) men show greater erotic plasticity than women do.

Answer: C

Diff: 1 Page Ref: 23

Skill: Conceptual

Objective: LO 1.6; APA 1

95) The female of one species of animal eats the male after they mate. In the study of evolution, this behavior

- A) will persist if it increases reproductive success.
- B) decreases species survival.
- C) is abrupt and abnormal because males are necessary for raising offspring.
- D) All of the above

Answer: A

Diff: 1 Page Ref: 23

Skill: Conceptual

Objective: LO 1.6; APA 1

96) From an evolutionary perspective,

- A) women are naturally more promiscuous than men.
- B) women's reproductive success was related to the number of male partners.
- C) men's reproductive success is enhanced by mating with the fittest females.
- D) women have to be more selective with respect to their mating partners.

Answer: D

Diff: 1 Page Ref: 24

Skill: Conceptual

Objective: LO 1.6; APA 1

97) Some evolutionary psychologists contend that

- A) hormones govern the biological processes of sexual behavior across species.
- B) genes are responsible for regulating sexual behavior in humans.
- C) social behaviors also may have evolved by aiding survival or reproduction.
- D) heredity is the most important determinant of behavior in humans.

Answer: C

Diff: 2 Page Ref: 24

Skill: Conceptual

Objective: LO 1.6; APA 1

98) The cross-species perspective on human sexuality focuses on

- A) examining biological knowledge across human history and across cultures.
- B) looking both for variety in sexual behavior across species and for analogues of behaviors between species.
- C) evaluating the behaviors and traits that may have lead to increased survival between species.
- D) the ways in which cultural institutions and beliefs affect sexual behaviors and sexual beliefs.

Answer: B

Diff: 1 Page Ref: 23

Skill: Conceptual

Objective: LO 1.7; APA 1

99) Which of the following correctly summarizes one major finding from the cross-species perspective on human sexuality?

- A) Male-male and female-female sexual behavior is only found in humans and has not been observed in any non-human animal species.
- B) Foreplay is a uniquely human behavior, with no analogue found in any species of mammal, including the great apes and lower primates.
- C) The vast majority of animal copulation takes place in a face-to-face position, much like the primary sexual position of humans.
- D) The "higher" the species of mammal that is observed, the more likely their sexual behavior will be controlled by learning and experience rather than instinct.

Answer: D

Diff: 3 Page Ref: 24

Skill: Conceptual

Objective: LO 1.7; APA 1

100) Interest in examining gender from the sociological perspective was spurred by the early work of

- A) Mead and Malinowski.
- B) Masters and Johnson.
- C) Alfred Kinsey.
- D) Richard von Krafft-Ebing.

Answer: A

Diff: 1 Page Ref: 24

Skill: Factual

Objective: LO 1.8; APA 8

101) Margaret Mead's research in Samoa laid the groundwork for research

- A) on cross-cultural infertility problems.
- B) on extramarital affairs.
- C) on challenging gender-role stereotypes.
- D) on homosexual orientation.

Answer: C

Diff: 2 Page Ref: 24

Skill: Factual

Objective: LO 1.8; APA 8

102) According to Ford and Beach's survey of 200 preliterate societies, kissing was

- A) rarely a part of sexual activity.
- B) a part of sexual activity in all societies.
- C) common only in societies with written languages.
- D) common, but not universal.

Answer: D

Diff: 1 Page Ref: 24

Skill: Factual

Objective: LO 1.8; APA 8

103) Based on sociological research, which of the following is true regarding childhood masturbation?

- A) Although most societies tolerate childhood masturbation, the United States does not.
- B) Childhood masturbation only occurs in wealthy societies.
- C) Societies typically ignore childhood masturbation.
- D) Societies vary from condemning to encouraging childhood masturbation.

Answer: D

Diff: 2 Page Ref: 24

Skill: Factual

Objective: LO 1.8; APA 8

104) In the report *An "Honor Killing" in Germany* from the text, which religious/ethnic group recently has clashed increasingly with mainstream German culture over women's rights?

- A) Muslim immigrants
- B) American immigrants
- C) Jewish immigrants
- D) Turkish Christians

Answer: A

Diff: 1 Page Ref: 26

Skill: Factual

Objective: LO 1.8; APA 8

105) Based on the featured story *An "Honor Killing" in Germany* from the text, which of the following statements is MOST accurate?

- A) Muslim women in Europe enjoy more freedoms and suffer less restrictions than most other women in Europe.
- B) In some Muslim subcultures in Europe, women still suffer extreme limitations on their freedom and severe punishments.
- C) Although a few cases of murder have happened among Muslim immigrants in Europe, these immigrants mostly hold the same values as the dominant culture in their new country.
- D) The murder of a few Muslim women in Europe has sparked outrage among Muslim immigrants and has increased tensions between these subcultures and the dominant cultures of Europe.

Answer: B

Diff: 1 Page Ref: 26

Skill: Applied

Objective: LO 1.8; APA 8

106) According to Sigmund Freud's theory of psychosexual development, children undergo

- A) two stages of development.
- B) three stages of development.
- C) five stages of development.
- D) gradual development with no certain stages.

Answer: C

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

107) According to Sigmund Freud's theory, an individual's sexual impulses begin

- A) at birth.
- B) at five years of age.
- C) at puberty.
- D) with the loss of virginity.

Answer: A

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

108) Freud believed children developed erotic feelings toward the parent of the opposite gender during the

- A) latency stage.
- B) genital stage.
- C) anal stage.
- D) phallic stage.

Answer: D

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

109) All of the following are stages of Freud's psychosexual development EXCEPT

- A) mental.
- B) oral.
- C) anal.
- D) latency.

Answer: A

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

110) The theory which proposes that human behavior represents the outcome of the struggle between inner forces is

- A) psychoanalysis.
- B) feminist theory.
- C) queer theory.
- D) learning theory.

Answer: A

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

111) Which theorist originated the term "erogenous zones?"

- A) Alfred Kinsey
- B) Margaret Mead
- C) B. F. Skinner
- D) Sigmund Freud

Answer: D

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

112) John Watson and B. F. Skinner emphasized the impact of rewards on the learning process, a process they called

- A) retribution.
- B) reinforcements.
- C) accolades.
- D) corroboration.

Answer: B

Diff: 1 Page Ref: 27

Skill: Factual

Objective: LO 1.9; APA 1

113) All of the following are major theories from the psychological perspective on human sexuality EXCEPT which one?

- A) Learning theory
- B) Cognitive theory
- C) Psychoanalytic theory
- D) Quantum theory

Answer: D

Diff: 1 Page Ref: 27

Skill: Conceptual

Objective: LO 1.9; APA 1

114) In general, feminist theory

- A) challenges traditional roles of men and women, especially those that oppress females.
- B) systematically asserts the opposite of any research or opinion that was originated by men.
- C) values homosexuality among women as an ideal.
- D) investigates the sources of differences between men and women, with an emphasis on finding female superiority.

Answer: A

Diff: 2 Page Ref: 28

Skill: Conceptual

Objective: LO 1.10; APA 1

115) In studying human sexuality, which of the following statements is TRUE?

- A) Human sexuality is a complex interaction between biological, sociocultural, and psychological factors.
- B) Human sexuality is largely driven by biology and secondarily driven by culture.
- C) Cultural values and beliefs determine what is normal, natural, and moral in sexual behavior.
- D) There are many universal patterns of sexual behavior and universal beliefs about the morality of sexual behaviors.

Answer: A

Diff: 2 Page Ref: 29

Skill: Conceptual

Objective: LO 1.12; APA 1

116) Which perspective, or theory, on human sexuality focuses on challenging that sexuality is naturally divided into homosexuals and heterosexuals?

- A) Feminist theory

- B) Queer theory
- C) Sociological perspective
- D) Biological perspective

Answer: B

Diff: 1 Page Ref: 30

Skill: Factual

Objective: LO 1.12; APA 1

117) All of the following are suggestions for critically thinking about the quality of sexual advice on the Internet, EXCEPT:

- A) Ignore websites that make extravagant claims.
- B) Beware of websites that only offer anecdotes to support their claims.
- C) Ignore websites listing a university or hospital as the author's affiliation.
- D) Check the credentials of the people posting the information.

Answer: C

Diff: 2 Page Ref: 31

Skill: Conceptual
