Answer: CONSERVATIVE
Page Ref: 67

Short Answer, Essay, and Discussion Questions

- 82) Describe the differences and similarities between the traditional state and the modern state.
- 83) How is the Alamo an example of Texas Nationalism?
- 84) Describe the two contrasting views of how the state emerges.
- 85) What does Sudhir Venkateshi's (2008) *Gang Leader for a Day* tell us about the potential for undemocratic practices in a democracy?
- 86) What are the main difference among democracy, totalitarianism, and authoritarianism?
- 87) What are the six categories of the state?
- 88) How are democracies sometimes undemocratic?
- 89) How are totalitarian and authoritarian states different?
- 90) What is the "tyranny of the majority"?
- 91) What is the basic argument of the theory of class domination?
- 92) According to Domhoff's theory of class domination, how do we know which class is the dominant class/group?
- 93) Using the theoretical frameworks of pluralist, elite, class, and institutionalist how would each of answer the question?
- Whose interests does the state serve?*
 - What is the source of power?*
 - What comprises the state?*
 - What are core state functions?*
 - Who are the major political players?*
- 94) Compare and contrast how pluralism, elite-managerial, and class theoretical frameworks view the state.
- 95) Think about your day-to-day experiences and think about the various ways the state influences your everyday experiences and realities. In what ways does the state influence your everyday experiences? In what other ways does the state penetrate civil society?
- 96) Review the chart on page 64 of the text (Figure 2.1). In small groups, identify a contemporary issue that relates to the state (e.g., immigration). Using the issue your group chose, explain how each of the four major theoretical models helps shed light on not only the issue but also the role/function of the state? Discuss your findings with the larger class.
