3

What do good historical studies ensure?

(A) That what we see around us today is enough information to create theories that explain the past.

(B) That in order to fully understand our history we need to guess.

(C) That the information uncovered is not the only history or truth. There are lots of truths existing at every point in time.

(D) That we must think of ourselves now, what has happened in the past is not useful as we make progress.

Answer:

(C) That the information uncovered is not the only history or truth. There are lots of truths existing at every point in time.

4

Cricket has a very problematic history. Which of the following is the odd one out and explains how cricket has been justified by imperialist forces?

(A) It is fun and encourages people to interact with eachother.

(B) It was a symbolic sport that, in the eyes of the colonisers, represented civilization and

Answer:

(A) It is fun and encourages people to interact with eachother.

sophistication. With all other sport being symbolic of the Other.

- (C) It created 'sporting hegemony' where traditional sports were marginalised and replaced by cricket
- (D) It was used as a colonial tool to insert British cultural practices into part of the British Empire.

5
